Rotary Youth Program of ENrichment
The Cultivation of Youth

03/02/2013

Dear President and New Generations & Youth Director,

The Rotary District 9670 RYPEN Committee is pleased to announce that nominations are now being accepted for the RYPEN camp to be held on the weekend of April 26th, 27th and 28th 2013.

For those of you not familiar with the RYPEN (Rotary Youth Program of Enrichment) it is a youth program that has been run in our district for the past 24 years which focus is introducing life skills and fundamental concepts that challenge students to form their own values and moral standards while also broadening their horizons culturally, socially and academically.

Run over a weekend, RYPEN is supervised by Rotary Club members with the program being facilitated by a team of experienced volunteer, past attendees and Rotarians.

RYPEN targets students who are often overlooked for leadership or other programs which focus on personal development. We look for students between the ages of 14 - 17 who have potential but just don't know it themselves.

"There has never been a camp that has wowed me this much, an experience I would love to relive and share with everyone."

"Every activity was absolutely amazing! I would do this over and over again especially if it was with the same people, the best group of people I have ever met."

Attached to this letter is a letter to share with your local school principal and application form. The cost of sponsorship is \$200.

Should you require any further information please contact myself or visit us on the District web site or committee page on face book

We thank the Rotary clubs of District 9670 for their continued support.

Duncan Burck
Chair, Rotary District 9670 - RYPEN Committee
