Rotary Youth Program of ENrichment
The Cultivation of Youth

03/02/2013

Dear Principal,

Rotary District 9670 is pleased to announce that we will be conducting a RYPEN Seminar at Myuna Bay Sport & Recreation Centre, over the weekend of April 26th, 27th & 28th 2013.

For those of you not familiar with the Rotary Youth Program of Enrichment (RYPEN), it is a youth program that has been run in our district for the past 24 years which focus is to introduce life skills and fundamental concepts that challenges the participants to form their own values and moral standards while also broadening their horizons culturally, socially and academically.

Run over a weekend, RYPEN is supervised by Rotary Club members with the program being facilitated by a team of experienced volunteer, past attendees and Rotarians.

RYPEN targets students who are often overlooked for leadership or other programs which focus on personal development. We ask that you put forward students between the ages of 14 - 17 which you think have potential but just don't know it themselves.

Nominate a student today for a program that has been changing young peoples lives for 25 years.

"There has never been a camp that has wowed me this much, an experience I would love to relive and share with everyone."

"Every activity was absolutely amazing! I would do this over and over again especially if it was with the same people, the best group of people I have ever met."

Should you require any further information please contact the Rotarian / Club who provided you this information or contact myself Duncan Burck the program Chair person

We look forward to working with you and changing a young deserving persons life!
