Nomations close April 21.. **DON'T MISS OUT POSITIONS GOING FAST**

RYPEN (Rotary Youth Program of Enrichment) is just one of the many programs Rotary runs for young people.

The program, which is held over a weekend, is all about introducing you to some pretty important concepts that will help you make the journey from being a kid to a young adult.

RYPEN isn't about lecturing, that's boring, we're introducing you to these really important concepts in a really fun, friendly and caring environment.

RYPEN IS FREE. You don't have to pay a cent! Your local Rotary club will sponsor you to have your RYPEN experience.

Don't just take our word for it, here's what past attendees have had to say about their RYPEN experience:

“I really liked how if someone was having trouble a lot of support was shown for them to pull though.”

“Every activity was absolutely amazing I would do this over and over again especially if it was with the same people, the best groups I've ever met.”

“The camp blew me away in the terms of friendship, learning about life skills and goal setting. It has taught me to be a better person and to try my best in everything I do.”

“The people I met....well, where do I start they were amazing the most amazing people I have ever met.”

“There has never been a camp that has wowed me this much, an experience I would love to relive and share with everyone.”
